 - Thank-you the Community Association for the Turkey Dinner.
 - Thank-you to the Selk family for the hayride, which was a highlight of the week.
 - Skating happened this week, it was a great week to do it as the cold weather had been keeping students inside at recess. K-3 will go Thursday, 4-6 go Tuesday. Finding enough helmets and skates has been a struggle. Students will skate again next week as well.
 - Coming up on Jan 25th, the 5/6 class will accompany RI Baker on their ski trip to Castle Mountain.
 - Due to ski trip, assembly will be moved to Feb 1st.
 - Grade 4-6 have a leadership opportunity on Feb 8th at Champion School called Finding your Passion. We will be sending 5 students. Students will submit their reasons for going and 5 will be chosen.
 - Fact Families start on Friday after snack then onto Flex Friday. Will be working on math facts.

 - Accountability Pillar Survey
 - Grade 4-6 will receive this survey. It's a way for government to check in with parents on how they feel about their schools, teachers, and kids on the bus.
 - In schools of less than 100 kids in those grades, all students and parents will do the survey.
 - Survey will come out Jan/Feb

- As the survey can seem confusing, Connie will go through the survey with parents at the student led conference in Feb.
- Results come out in May. The Provincial Achievement tests are a part of it.
- Last years' survey determined that 100% of students find Sunnyside a safe and caring place.
